

2025 EVENT DECK

## *About Dragonfly*

Put together by a collective of dynamic, global citizens and industry insiders, Dragonfly is a one-room revolt for the luminaries, designed to be an enigmatic hideout for after-hours revelry, epicurean escapades and social occasions. While echoing the grandeur of its original Hong Kong location, the bar distinguishes itself through its talented team and cocktail program — championing classic cocktails with a no-holds-barred approach and modernist flair, delivering a *curated* tapestry of best-in-class, larger-than-life experiences.

Dragonfly was built for the curious who relish cocktail artistry that echoes tales of tradition and origin.

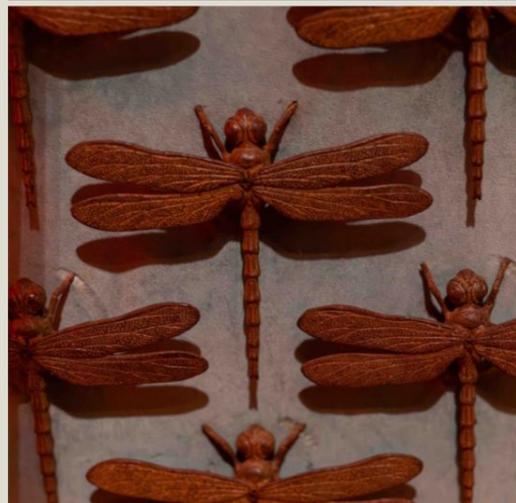

For those who revel in the artistry of life.

Come, as you are.

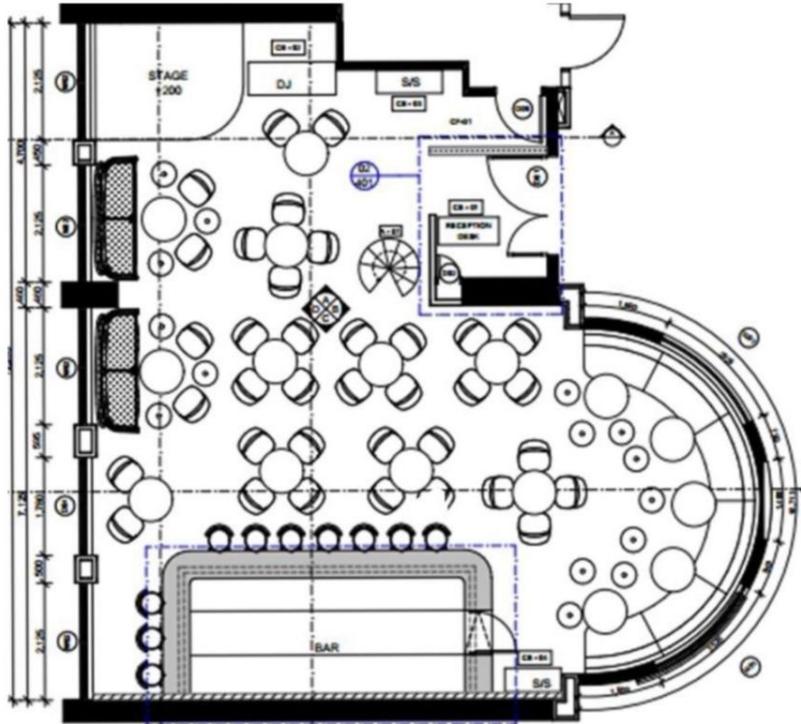

Dragonfly stands as the first outpost in Singapore by celebrated bar-design virtuoso Ashley Sutton, and shares a kindred flair with Sutton's outlandish concept in Hong Kong which reveres the Art Nouveau movement of the late 1800s during the BelleÉpoque period.

Beautifully reinterpreted in the design, the bar is anchored by an iconic and mesmerising stained-glass dragonfly centrepiece; the interior highlighting the many sinuous curves, characterised with ornate patterns, natural motifs and complemented by hundreds of exquisite hand-blown wing-patterned lamps that imbue the space with an ethereal teal hue.
